

Global Education Monitoring Report Norway launch

Education for people and planet: Creating sustainable futures for all

The new Global Education Monitoring (GEM) Report by UNESCO shows the potential for education to propel progress towards all global goals outlined in the new 2030 Agenda for Sustainable Development (SDGs). It also shows that education needs a major transformation to fulfill that potential and meet the current challenges facing humanity and the planet.

Time: Monday 26 September 2016, 09:30 – 14:00
